## **Category: LaBiance Vacation**

*Anfisa CHEKHOVA / TV Presenter And Artist / Russia*

*"Hello my dear friends!*

*For organization of our vacation, we chose a professional tourism agency **LaBiance**, which organizes VIP tours, as well as various events and activities in Turkey. They accompanied us throughout our Cappadocia VIP vacation program, which lasted for 4 nights and 5 days. My stunning experience began from the moment I checked into the hotel. For the first time in my life, I lived in a real cave hotel. Can you imagine it? In an authentic cave with a jacuzzi and stunning views of a completely different planet. You know, the unusualness of this unique place is simply off the charts! I have seen quite a lot of beautiful, stunning and unusual places in my life, but Cappadocia simply broke all records and is definitely beyond competition. Thank you, my dears, for organizing such an enjoyable, interesting and comfortable VIP vacation. I have never seen a more fabulous place. **LaBiance** - you are real professionals!!!*

## Category: LaBiance Vacation

Britney and Leo / Medical Specialist / USA

*"We sincerely thank you for organizing our wedding in Cappadocia. Preparation, waiting moments - everything was joyful and easy with you! Absolutely all wishes have been realized - the bride's bouquet, hairstyle, ceremony and, of course, the magic of hot air balloons - our photoshoot took place in the most beautiful places!! The wedding morning was magical in early morning. And the ceremony was unexpectedly heartwarming. Thank yo! We will return to Turkey again!"*

## Category: LaBiance MyDay

David GOLDSTEIN / Company Manager / Israel

*"Once again, I would like to express my gratitude to the **LaBiance** team that was with us throughout the entire period of organizing the event and directly during our stay in Cappadocia. These unforgettable moments will stay with us for a long time. AND ALL THIS IS THANKS TO YOU. Impeccable organization, everything is at a high level. We are very glad that we chose your company! We will definitely recommend you to our friends and acquaintances. Once again, THANK YOU SO MUCH TO EVERYONE."*

## Category: LaBiance MyDay

Anna FILINA / Cosmetologist / Russia

*"Cappadocia with its so-called "Martian landscapes" always seemed like some kind of pipe dream to me. For many millennia, water and wind carved wondrous pillars, towers and pyramids from volcanic tuff. And all this is very unusual.*

*When my friends invited me to celebrate my birthday in this fantastic place, I didn't doubt it for a minute. The entire organization was taken over by LaBiance. And they did it with truly Turkish hospitality! There was everything: Turkish breakfasts, a walk through the underground city, a visit to a pottery workshop, wine tasting and wonderful photography against the backdrop of rising balls.*

*The human factor is very important to me, and here I found not just organizers, but new friends. Friends who try to bring joy, who are generous and kind. This is probably my most important birthday present. Thanks **LaBiance** :)"*

### **LaBiance Uluslararası Turizm Ve Organizasyon A.Ş.**

On behalf of the Federal State Budgetary Educational Institution of Higher Education "State University of Management" we would like to express our gratitude to you and the **LaBiance Uluslararası Turizm Ve Organizasyon A.Ş.** under your leadership for the professional support and services you provided in organizing the visit to Turkey, which took place from October 24 to 31, 2022, with a business delegation from various regions and economic sectors of our country with the aim of promoting the expansion of commercial cooperation between Turkey and Russia.

We hope to work together on new projects that will lead to new opportunities for cooperation between our countries."

Marat Tansykkuzhin / Representative of the Republic of Bashkortostan, Russian Federation in Türkiye

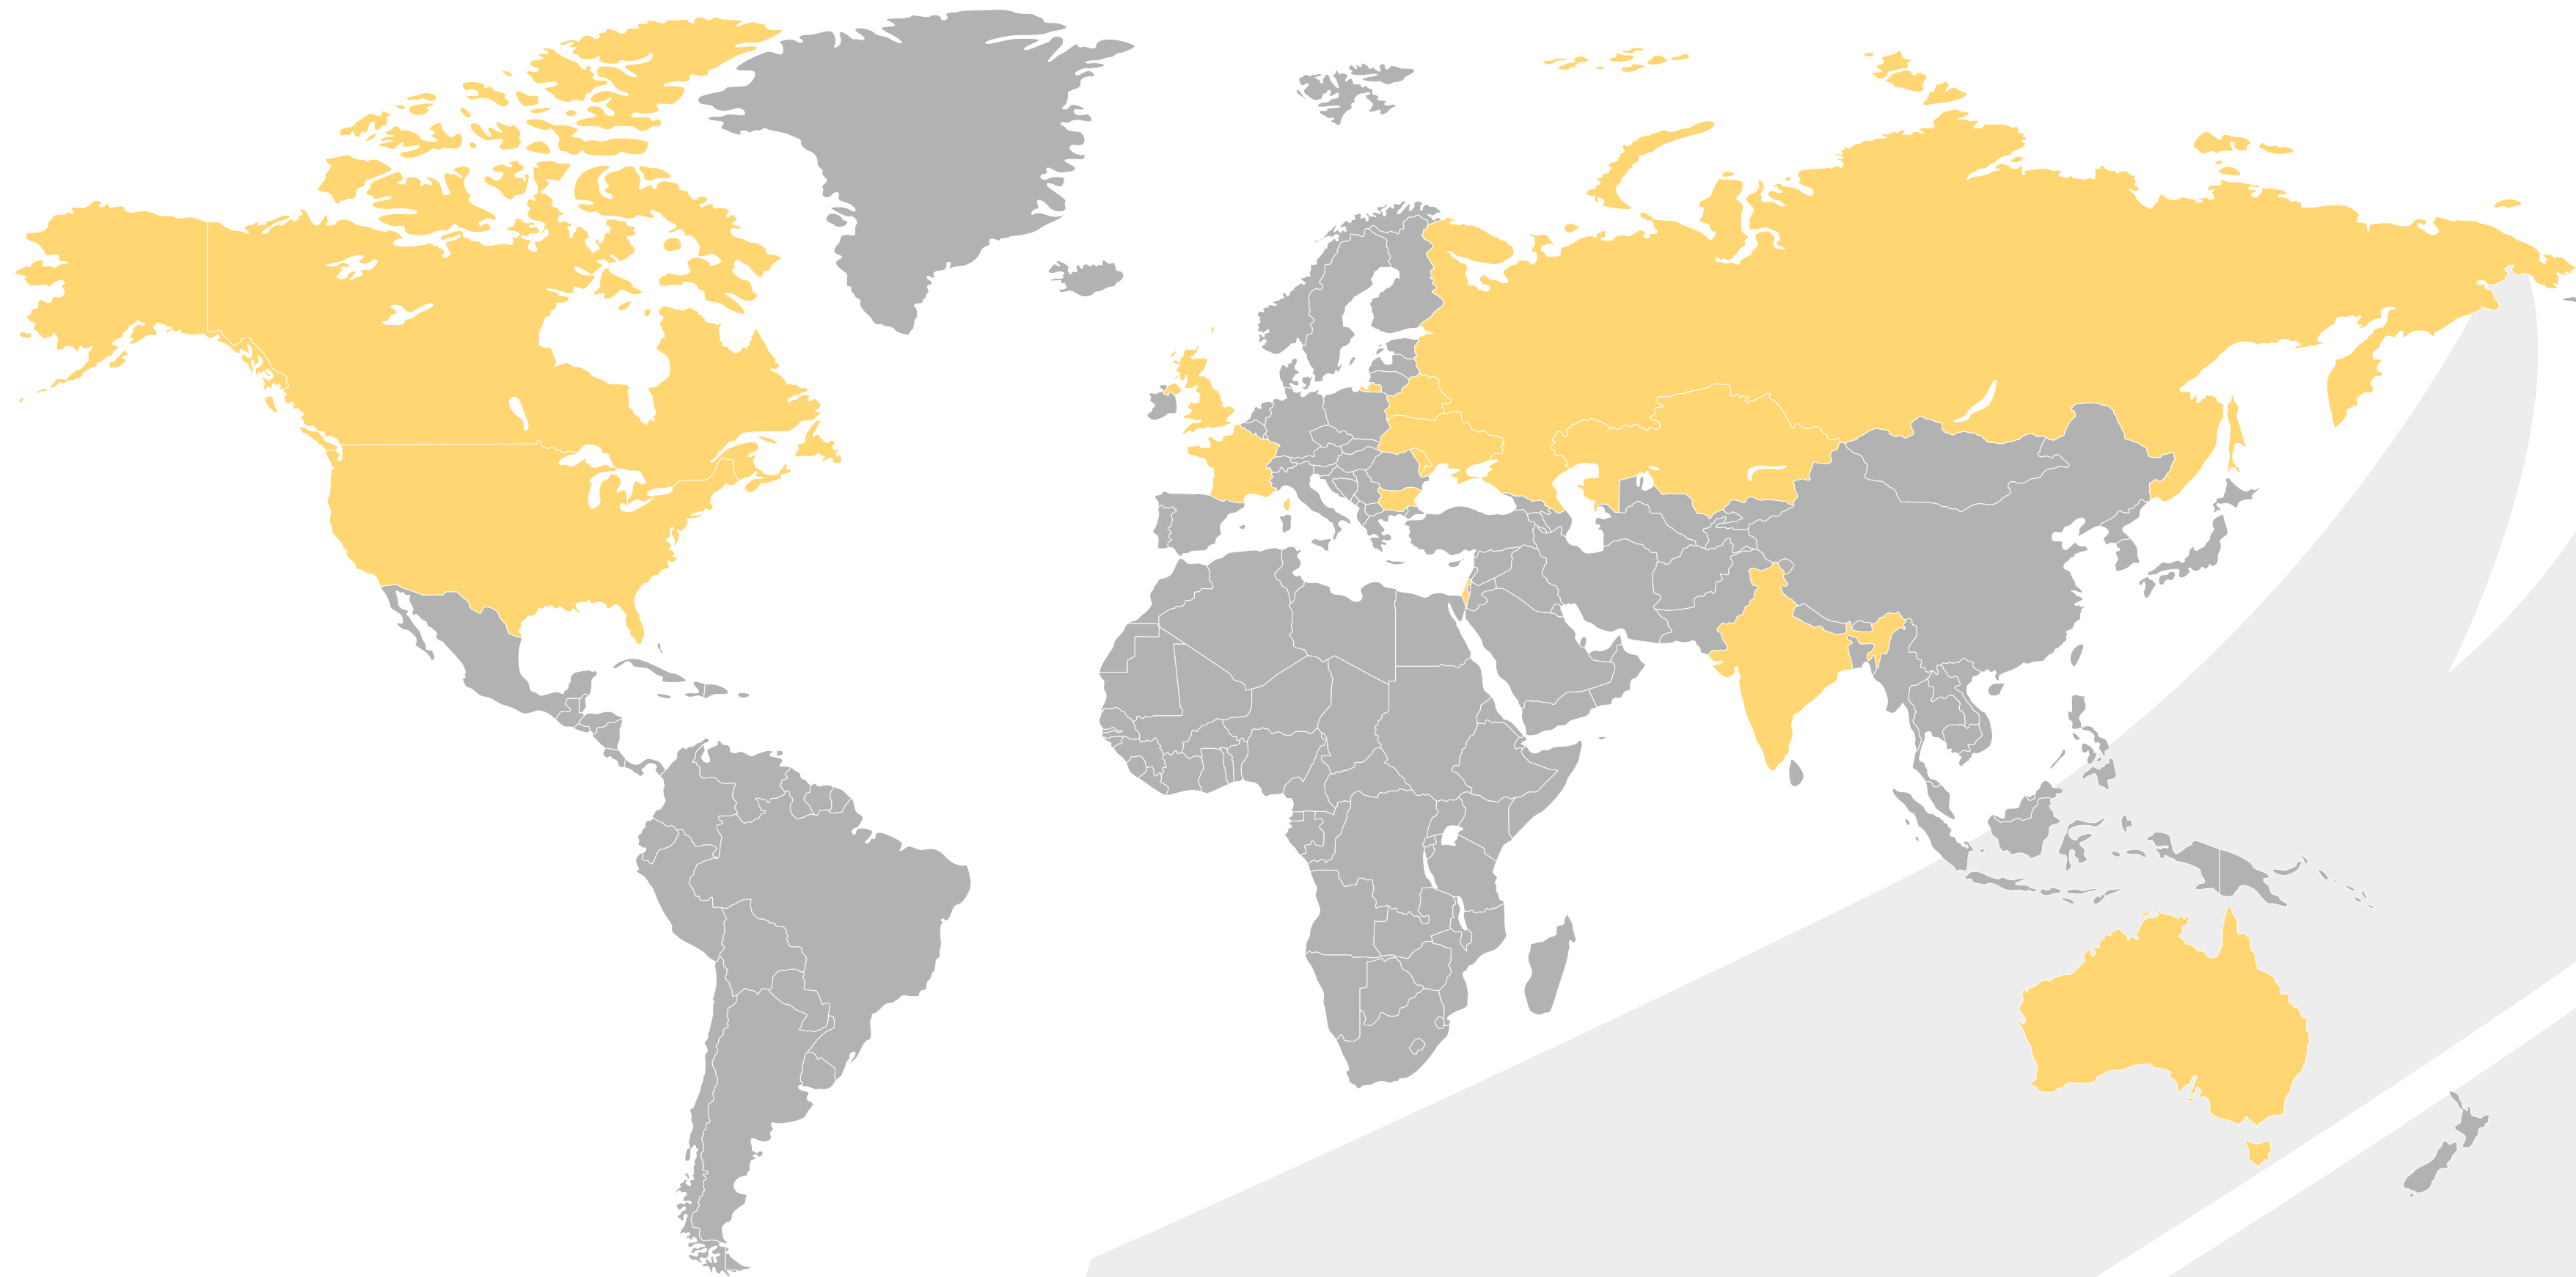

"The company "**LaBiance**" in June 2023 acted as a partner in organizing a business mission of top management of Russian companies to Turkey. At the same time, the situation developed in such a way that the previously fixed contractor abandoned the project. The partners from **LaBiance** not only agreed to take on the project, but also fulfilled all their obligations in the shortest possible time. Issues of transfer, accommodation and meals for participants in Istanbul and Ankara were resolved promptly, which is an absolute indication of the company's reliable reputation in the eyes of local partners and subcontractors. It was also important how the partners approached the selection of Turkish enterprises for the business mission participants to visit. All meetings were of an applied nature, each contact yielded a specific result. We need such reliable partners and are grateful for their responsible cooperation."
